

**Nagaland Board of School Education  
Kohima**

No.NBE-8/Ad-Misc (10)/2021-22

Dated Kohima, the 31<sup>st</sup> May, 2021

To,

The Heads of Registered Private Institutions under NBSE.

Subject: **Survey on status of students' access to digital devices.**

Sir/Madam,

With the physical closure of schools due to the Covid-19 pandemic, imparting education or teaching has taken a new direction with the rise of emergency remote teaching through digital platforms. The Board acknowledges the efforts of the schools in adopting and continuing online education despite challenges experienced during this pandemic.

As online learning in its entirety is dependent on digital devices and internet, its absence poses a big challenge for institutions, teachers and learners. However, till the pandemic situation improves, we need to adapt ourselves in continuing digital learning and cautiously redesign instructional activities and assessments to give room for flexibility of teaching and learning. All challenges must be fully explored and transformed into opportunities.

In this context, the Board is undertaking an exercise to find out the status of students' access to digital devices. This questionnaire will help the Board plan its future course of action. All Heads of Registered Private Institutions are therefore requested to respond through this link <https://survey.nbsenl.edu.in>. The last date of submission for this questionnaire is **15<sup>th</sup> June 2021**.
