

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO. 1/2024

Dated Kohima, the 6th January, 2024

No.NBE-8/Ad-Misc(12)/2023-24:: In continuation of this office **Notification No.11/2023, dated 2nd February 2023**, it is hereby notified for information to Heads of Higher Secondary Schools and Colleges registered under NBSE to create awareness about the importance of **Common University Entrance Test (CUET)** for admissions to Undergraduate Courses of the Central Universities. CUET provides a single window opportunity to students seeking admission in any of the Central Universities (CUs) or other participating organizations (including State Universities, Deemed and Private Universities) across the Country especially those from rural and other remote areas and help establish better connections with the Universities. The examination enables the candidates to cover a wide outreach and be part of the admissions process to various Central Universities and other participating Universities.

As per the notification of National Testing Agency, the next **CUET-UG** has been planned to be conducted between **15th May to 31st May, 2024** for the academic session 2024-25.

In this regard, all concerned Heads are hereby requested **once again** to create awareness in the school by conducting mock test and hands-on training to help the students in Computer Based Test (CBT) mode.
